15. EMPLOYEE GRIEVANCE PROCEDURE

To establish a harmonious and cooperative relationship between the Library Management and its employees and to provide for the orderly settlement of differences, the Management has established an employee grievance procedure, as stated below.

The appropriate transfer of a library employee from one position to another for the proper administration of the library is not a grievance. Such transfer shall be made without diminution in pay.

1. DEFINITIONS:

As used in this section:

a. "grievance" shall mean a claim or charge of injustice or oppression to any individual employee or group of employees of the library from an act, occurrence, omission or condition which is presented for solution through the established grievance procedure. The term "grievance" shall not include the temporary transfer or re-assignment of an employee or any change of assigned duties.

b. "employee" shall mean a permanent employee of the library.

c. "employee representative" shall mean a fellow employee of the employee or group of employees claiming a grievance.

2. GRIEVANCE PROCEDURE:

In any of the various stages for resolution of a grievance established below, the employee or group of employees having the grievance may present such grievance through an "employee representative":

a. The employee or group of employees having a grievance shall first present such grievance to the employee's immediate supervisor. Discussion and resolution of grievances in this stage shall be on an oral basis, and response will be given within five (5) working days.

b. If the grievance is not resolved in stage "a", the employee or group of employees having the grievance may request a review and a determination thereof by the Library Director. The specific nature of the grievance and the facts relating thereto shall be reduced to writing jointly or separately by the employee or group of employees and by the appropriate supervisor. The Library Director shall, on request of the employee or group

of employees, or on his own motion, hold an informal hearing at which oral statements may be made. The final determination of the grievance shall be made in writing by the Library Director within five (5) working days after said hearing and a copy of such determination shall be served upon all affected parties.

3. APPEAL:

The employee or group of employees having the grievance, within seven (7) days after the service upon such employee or group of employees of the determination by the Library Director as specified above, may appeal such determination to the Board of Trustees, with copy of grievance to Director. All prior statements and determinations in writing shall be presented to the Board with grievance, who in their sole discretion, may conduct an oral hearing or request additional statements in writing. The determination of the appeal by the Library Board of Trustees shall be in writing and forwarded to the employee or group of employees involved. Such appeal shall be presented at the following Regular Board meeting and a final determination shall be made seven (7) days following said Board meeting. A copy of the determination of the appeal shall be filed in the office of the Library Director.

16. The Library will provide a bulletin board for staff use and the following classes of materials may be posted for one week without prior approval:

- a. Official lists and notices of FLLEG and committees
- b. List of birthdays
- c. Any correspondence addressed to staff (with one exception, wedding invitations must have Director's approval).
- d. Published articles about libraries and their staff (limited to library events)
- e. News affecting public employees
- f. Current calendar
- g. Cultural notices (library related)
- h. Announcements of educational opportunities

17. A photocopy of the contract will be given to each eligible staff member and will be duplicated at library expense.

18. All the above agreements are retroactive to January 1, 1978.
